FULL DESCRIPTION

This project is an exclusive gated community of only 16 contemporary style villas. Designed with Mediterranean spirit due to their proximity to the sea and the Golf Valley, the homes are your oasis amidst the hustle and bustle of the Costa del Sol. Its magical enclave with great spaciousness, means that all the houses and villas enjoy wonderful unobstructed views towards the sea and the valley with south-southeast orientation so you can enjoy the light and sun all day long.

It is located in La Cala de Mijas, one of the urban centres belonging to the municipality of Mijas. From the residential, just 5 minutes drive from the beach bathed by the Mediterranean Sea and a multitude of services for both leisure and day to day life. We are in the heart of the "Golf Valley" with a large number of golf courses in the surrounding area and with Marbella to the west and Malaga to the east.
