FULL DESCRIPTION

This exclusive residential community is located in La Cala de Mijas on the Costa del Sol. Currently in the planning stages, this development will feature 120 homes across 9 buildings, offering a selection of 1, 2, and 3-bedroom apartments and penthouses. Each residence is thoughtfully designed for maximum light, comfort, and functionality, with parking spaces included and optional storage units available for added convenience.

Set on an expansive 31,000 sq m plot, the complex boasts exceptional communal spaces. Residents will enjoy two saltwater pools, including an infinity pool, as well as a 300+ m² wellness area featuring a gym, a heated pool, a sauna, and outdoor yoga zones. For those who love outdoor activities, the development offers putting green, organic vegetable gardens, walking paths, and a multi-purpose court for beach paddle and sand volleyball.

Located just 1 km from Gran Parque Costa del Sol and surrounded by two golf courses, Altos del Chaparral offers a prime setting. Its central location provides easy access to La Cala de Mijas and Fuengirola, both only 3 km away, offering an array of beaches, dining, and leisure activities. This development is the perfect fusion of nature and contemporary living.

With a strong commitment to design, sustainability, and enhancing residents' quality of life, this residence is more than just a home—it's a lifestyle. Here, innovation, wellbeing, and exclusivity are woven into every detail, creating a place where nature truly becomes home.
