## FULL DESCRIPTION

This exclusive collection of 30 contemporary-designed villas is set within the natural beauty of Valle Romano, Estepona, offering a perfect balance of modern architecture and tranquil surroundings. Each 3- or 4-bedroom home is carefully integrated into its plot to maximize privacy, natural light, and panoramic views—some overlooking the Mediterranean Sea, others set along a serene frontline golf course. With open-plan interiors, expansive terraces, private pools, and landscaped gardens, the villas are designed for seamless indoor-outdoor living. Built to high standards with sustainable materials and inspired by passive architecture principles, they ensure both luxury and energy efficiency. Homeowners can customize features such as solariums, basements, and leisure areas to suit their lifestyle, all within minutes of Estepona's vibrant old town and the Costa del Sol's finest amenities.
